The man who whispers down a well
About the things he has to sell
Will never reap a crop of dollars
Like he who climbs a tree and
"hollers."

Figures of the 1910 census for Kentucky are going to make it hard on a certain class of petty politicians, who periodically trot out the fetish of "Nigger domination." Advance sheets of this census show that during the decade ending in 1910 the Kentucky Negro population decreased by 23,050, or a little over eight per cent.

PAID AGITATORS BLEED UNIONS

(Continued from Page 1.)

Disputes, strikes and unrest are the very food on which paid officials feed. Trouble increases membership and augments the treasury. Thirty five million dollars in wages and trade have just been practically thrown into the gutters in Lancashire by cotton operatives, and starvation stalked in a district with a population of 11,000,000 as a direct result of the call of the agitator and the paid disciple of unrest, whose salary has been, and will continue to be, extracted from the workers' pockets with pitiless regularity.

"These agitators," said a Board of Trade official yesterday, "loathe peace. Their hungry eyes see the schedule for 'star' speakers at \$25, \$50 and \$75 a meeting, and they seek an outlet quickly for their indignation at the hardships of the workers."

"Scores of these 'leaders of men,' who have engineered strikes—whether the men lost or won—have retired from the scene in late years in a state of affluence.

Some Excitement

In the thrilling scenes of that soul stirring melodrama entitled the "Millionaire Tramp," which was so well rendered last evening, just as the heroine had shrieked in agonizing screeches, "Wretch, you have killed him," an occupant of the gallery, becoming excited, leaned a little too far over the railing and dropped a "44" from his pocket. This aroused a great deal of excitement, and Policeman Bradley was "Johnny on the spot" and gently lead the unfortunate one from the house. The pistol was loaded but did no damage. It is not definitely known whether the owner was loaded or not.

SEVEN YEARS OF MISERY

How Mrs. Bethune was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Sikeston, Mo. — "For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I had cramps, backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband's told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do all my own housework, work in the garden and entertain company and enjoy them, and can walk as far as any ordinary woman, any day in the week. I wish I could talk to every suffering woman and girl, and tell them what Lydia E. Pinkham's Vegetable Compound has done for me."—Mrs. DEMA BETHUNE, Sikeston, Mo.

Remember, the remedy which did this was Lydia E. Pinkham's Vegetable Compound.
It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means have failed. Why don't you try it?

All roads theatrical will lead to the Opera House next Saturday night when the Moredock and Watson famous Minstrels appear for one performance only. Many will remember with pleasure the visit of this organization to this city several seasons ago, and the thoroughly refined and high class performance they presented.

They are bringing a largely augmented Company this year numbering sixteen, and in addition to several unusual features are carrying their own band and orchestra, making a street parade at 11:45 a. m. and playing a free concert in front of the Opera House at 7:30 in the evening.

The inimitable Buddy Moredock, the diminutive comedian with the elastic trombone is the principal comedian and feature of course, while opposite him is Billy Van Allen, the Virginia Minstrel who ably seconds Mr. Moredock in producing laughs throughout the first part and renders a monologue in the olio that is a never failing source of laughter for the ladies as well as those of the masculine sex.

NEGRO ATTEMPTS ASSAULT ON WHITE GIRL

Fall to Floor Arouses Others in Building and She is Saved

Hopkinsville, Ky., Feb. 14.—An unknown negro attempted to assault Miss Willie Harris, age 17, foster daughter of Mr. and Mrs. Dixon Williams, at Mannington, 20 miles from here, in Christian county. The girl had gone to her room in the rear of the store owned by her foster father, when she was seized from behind and a pillow pressed over her face. During the struggle the young lady fell to the floor, and in falling the noise was so great that it attracted the attention of others in the building, who quickly ran to her rescue. The negro became frightened and made his escape through a rear door. A strange negro, giving his name as John F. Smith, was arrested this morning on suspicion, but the girl failed to identify him. The young lady's wrists and face were badly bruised.

Armed with shotguns, a posse searched all night for the negro. Threats of lynching are being openly made, and it is said it will be difficult to avert violence if the right man is captured.
